RCSA League and Team Sponsors

Rose City Softball Association is gearing up for an amazing **2008 Regular Season**. This year, we are bigger and better than ever. The RCSA has worked very hard in the off season, organizing and recruiting, and we are very proud to announce we are adding **two brand new teams** to our ranks.

Imagine, over **Three Hundred and Fifty Total RCSA Members**, each and every one, excited about the opportunities RCSA Softball represent AND appreciative of the support our Sponsors give throughout the season.

The RCSA, through its **Member ID / Sponsor Benefits**, will focus RCSA Players and Social Member appreciation by **targeting your business when and how you want them**. Here is how it works:

Example: Your bar or shop is particularly in need of customers on Mondays... By offering a small discount to RCSA Members (**who show their RCSA ID when patronizing your business**) on Mondays, you increase your foot traffic, your own profits, and afford the RCSA the opportunity to show it's appreciation of your continued sponsorship. You pick the days, type of discount, free service, or other benefit. *Your business offer will be printed on the reverse side of the ID Card, so it is easy to verify when and where RCSA discounts apply.* It's that simple.

This is a perfect way for your business and the RCSA to mutually enjoy the benefits of our unique partnership. Help us give back to you by joining in our Member Benefit Program.

Attached you will find our **Member ID / Sponsorship Benefit Form**. Please fill it out with your information, type of offer, and signature and **return it to your RCSA representative**.

Regards,
